## Job Opening Office manager

### About DAY

DAY is an independent brand strategy and design agency. We define meaningful narratives, add value to the brand experience and connect people to brands. By creating empathic and integrated design we make brands tangible, sensorial and spatial.

DAY services national and international companies and markets, focussing on real estate, sports/leisure and entertainment, consumer brands and retail. Our current client list includes for example: Stayokay, Thialf, Eindhoven Airport, Maandag, Grolsch, Konica Minolta en ZiggoDome.

### Job opening Office manager

We are looking for a new all-round, representative and communicative office manager who is not afraid to take initiative and who has a great sense of hospitality. Your job is to make sure everything runs smoothly, to take care of the office space, to make clients feel welcome and to support your co-workers so they can focus on their own core business. Are you our new pro-active office facilitator with a can-do mentality who can reinforce our team in Amsterdam?

### Responsibilities

- First point of contact for colleagues, clients and suppliers
- Responsible for correct handling of the phone
- Responsible for welcoming guests - making sure they are served with drinks for example
- Coordinating with interns that lunch is arranged on time
- Managing and updating the company iCalendar, address book and e-mail
- Responsible for the provision of office supplies and groceries
- Show initiative to look for new suppliers if the price/quality level can be improved
- Ordering of books, presents, (gift)subscriptions to magazines, business cards/letterhead etc
